## **Just Cross Them Over** Cate Brandt

Just Cross Them Over is about earth bound spirits,ghosts. This book gives techniques for dealing with these ghosts/entities who can cause harm. Many people can sense and have seen ghosts. The lack of sleep, pain in one's body and unexplained illness including mental illness are just a few side affects that one can experience when spirits are living among the living. Albert Einstein has written books on energy vibrations and the affects on one's body when energy vibrations are not in balance. Ghosts/spirits/entities will cause imbalance. Once ghosts/spirits are Crossed Over, the feeling of peace and contentment returns.

The techniques in this book I channeled from the Archangels. I have been testing the technique for 3 years to make sure the wording is correct. Today's society is becoming more aware of our planet being an energy-driven world. There is light and dark/ divine and non divine energies. Discernment is the key in dealing with the energy that is in one's home or office. It is vital in today's world to have divine energy flowing around all of us. Please take the time to read the book, enjoy the stories and start to Discern for yourself; the benefits you will experience are peace, love, joy and contentment.
