The Education of Queenie McBride Lyndsey D'Arcangelo

The overprivileged and overconfident Queenie McBride, who is a lesbian, feels she has life figured out, especially college. But as soon as classes begin at Boston University, she realizes that she is no longer in high school. Although she has her best friend JJ there to help keep her in line, her entire world is forever changed when she meets Pudge, a homeless LGBT teen thrown out by her parents. With the help of Izzy, a strong-headed and beautiful social worker on whom she secretly has a crush, Queenie learns how to be there for Pudge, leaving her old habits behind to become the person she's always wanted to be. Queenie's story shows how caring people can help runaway gay teens help themselves out of a tough world—and maybe fall in love along the way.

From reader reviews:

Jordan Miller:

The book The Education of Queenie McBride can give more knowledge and also the precise product information about everything you want. So just why must we leave the great thing like a book The Education of Queenie McBride? A number of you have a different opinion about reserve. But one aim this book can give many info for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or info that you take for that, you could give for each other; you can share all of these. Book The Education of Queenie McBride has simple shape but you know: it has great and large function for you. You can search the enormous world by open up and read a reserve. So it is very wonderful.

David Peacock:

Playing with family inside a park, coming to see the marine world or hanging out with friends is thing that usually you have done when you have spare time, subsequently why you don't try issue that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The Education of Queenie McBride, you can enjoy both. It is great combination right, you still wish to miss it? What kind of hang type is it? Oh can occur its mind hangout folks. What? Still don't have it, oh come on its called reading friends.

Martha Royal:

This The Education of Queenie McBride is great reserve for you because the content that is full of information for you who always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great arrange word or we can point out no rambling sentences inside it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but difficult core information with wonderful delivering sentences. Having The Education of Queenie McBride in your hand like having the world in your arm, info in it is not ridiculous just one. We can say that no e-book that offer you world with ten or fifteen tiny right but this publication already do that. So , it is good reading book. Hello Mr. and Mrs. busy do you still doubt which?

Dennis Utley:

You can spend your free time to study this book this reserve. This The Education of Queenie McBride is simple to deliver you can read it in the park, in the beach, train along with soon. If you did not get much space to bring often the printed book, you can buy typically the e-book. It is make you easier to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.
