Are you a human angel? Find out why this course can change your life. Have you always suffered because of your sensitivity? Have you always had the feeling of being out of place here on earth? Have you, from the very beginning, believed to be born for a greater purpose even though you did not know until now which one it could be? By taking this course you will find all of the answers to the most profound questions about who you are and the meaning of your presence here on earth. You will learn how to manage your intense sensitivity as a Human Angel and how to make the best use of it in helping others. “The 7 Keys to overcome the ego” and “The 7 keys to live with the heart in service to the Oneness” are the titles of the two parts of this course. Fourteen chapters to change your life forever, to guide you, step by step, on your journey in overcoming the ego and suffering, until the fulfilment of your true nature as a Human Angel. Within the pages of this book, you will find out that what seemed to be a burden weighing heavily on your shoulders over the years, were simply your wings. The book phenomenon of the web. The book *We are Human Angels*, with its unique story, is the book phenomenon of the web. It is a self-published book, and is only available online. Because of this, *We are Human Angels* has not been given the usual promotion and marketing efforts that publishing houses normally carry out with their newest releases. Nevertheless, in a very short time after its publication many readers of different nationalities, driven by the deep wish to share its message, spontaneously started to contact the authors offering to translate the book into their native languages. *We are Human Angels* can now count on many different translations (and other translations are yet to come) and has become the benchmark for the steadily increasing community of Human Angels in the world.
