An Anarchist classic, here presented as an e-book for the first time. Edited for minor grammatical errors that were present in the original translation, and divided into 12 chapters, which are:

In the Whole of Natural Sciences

The Rise of Anarchist Philosophy

The Failure of Capitalism: Continuous Under Production

The Inevitable Workers Revolution

The history of working-class solutions for socialism

Working class Consciousness

Why State Socialism Fails in the minds of Workers

Why the State must be abolished

Can anarchistic society survive?

On Utopias

Constructive Anarchism

On the stages to reach Communism

An indispensable addition to the libraries of students, instructors, and anyone interested in government, history, and anarchist philosophy penned by a Russian revolutionary.

Among the best of the radical thinkers and writers, this book is a must-read! A complete copy - select it for your library today.
