Tim Elfrink, Gus Garcia-Roberts

Blood Sport: A-Rod and the Quest to End Baseball's Steroid Era Tim Elfrink, Gus Garcia-Roberts
“Blood Sport is riveting . . . a tragicomedy filled with characters straight out of a Carl Hiaasen novel.”
—*The Washington Post*

The effects of the Biogenesis case—the biggest drug scandal in the history of American sports—are still being felt today. Fifteen Major League Baseball players were suspended, including Yankees superstar Alex Rodriguez, who returns to the field in 2015, after his record season-long steroids ban. Ten men were indicted in federal court. And a new MLB commissioner was elected based on his role leading the response to the case. Now, Tim Elfrink—who broke that first story in the *Miami New Times*—joins forces with Pulitzer Prize finalist investigative reporter Gus Garcia-Roberts to tell the shocking full story behind the headlines. *Blood Sport* blows the lid off the most expensive scandal in the history of the game, and now includes a brand new epilogue revealing the stunning aftermath of the scandal and its effects for years to come.

From reader reviews:

Richard Freed:

Do you have something that you want such as book? The e-book lovers usually prefer to select book like comic, limited story and the biggest one is novel. Now, why not trying Blood Sport: A-Rod and the Quest to End Baseball's Steroid Era that give your fun preference will be satisfied by means of reading this book. Reading behavior all over the world can be said as the opportunity for people to know world far better then how they react when it comes to the world. It can't be stated constantly that reading practice only for the geeky person but for all of you who wants to always be success person. So , for all of you who want to start looking at as your good habit, you could pick Blood Sport: A-Rod and the Quest to End Baseball's Steroid Era become your starter.

Lisa King:

Your reading sixth sense will not betray anyone, why because this Blood Sport: A-Rod and the Quest to End Baseball's Steroid Era publication written by well-known writer who really knows well how to make book which can be understand by anyone who read the book. Written with good manner for you, still dripping wet every ideas and producing skill only for eliminate your personal hunger then you still skepticism Blood Sport: A-Rod and the Quest to End Baseball's Steroid Era as good book not simply by the cover but also with the content. This is one reserve that can break don't assess book by its include, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your looking at sixth sense already told you so why you have to listening to one more sixth sense.

Carla Heyward:

On this era which is the greater person or who has ability in doing something more are more treasured than other. Do you want to become among it? It is just simple approach to have that. What you need to do is just spending your time little but quite enough to possess a look at some books. One of many books in the top list in your reading list is definitely Blood Sport: A-Rod and the Quest to End Baseball's Steroid Era. This book that is qualified as The Hungry Inclines can get you closer in becoming precious person. By looking way up and review this publication you can get many advantages.

Oliver Lyle:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Blood Sport: A-Rod and the Quest to End Baseball's Steroid Era can

make you experience more interested to read.
