Kensington Gore's Diary: Another Year Closer To Death Mr Kensington Gore

Kensington Gore is Hammered Horror's last great writer/directors he describes himself as an iconic leg end. He's a fiery flamboyant character that some might find scary and shocking. He's old school, controversial, a little offensive and so NOT PC! His diary, Another Year Closer To Death, offers us a privileged glimpse into his life as he struggles to get his last great horror movie off the ground. He fights to come to terms with old age and being dumped on the movie scrapheap. Most importantly of all, his attempts to keep his beloved wife Marge, a former movie siren, in the lavish lifestyle she is accustomed too. Another Year Closer To Death is at times a touching, gritty, very funny and comedic look into the life of an old dog that refuses to be taught any new tricks and just will not lie down. With a foreword by LA's hardest working horror actress, Maria Olsen <http://www.imdb.com/name/nm1864017/> Maria said "Kenny's book, Another Year Closer to Death, will appeal to everybody at some stage of their lives, perhaps while they're waiting for a hanging jury to decide their fate, and is a stunningly funny romp of a read!" "Reading Kensington Gore is a bit like standing naked in front of a mirror; it leaves one both amused and frightened." Said top horror actor Bill Oberst Jr <http://imdb.to/WpwDCK> Kensington's grandson Wayne said "Kensington Gore's life is like a sit-com but without the laughter track." "WARNING! If you read this book you might very well die laughing!" Kensington Gore.
