## Marriage at First Sight CJ Howard

Haley had nothing to lose but everything to gain.

A new reality TV show was launching, and the prize was a cool \$100,000.

She would be married to a complete stranger, and their lives would be followed for the next year. If they make it to the end, they both get paid; if they divorce, they lose everything.

The man she is to marry is sales executive Ethan Richards, and the two of them must learn to get to know each other, work together, and get on together all with the cameras following their every move - something that's not going to be easy with a scheming production crew determined to cause mayhem to boost ratings.

And when sparks really do begin to fly between the two of them, the question has to be asked: Is this for love or for money?
