The first three books in The Mountain Men of Castle Lodge

Unexpected Kisses

Christmas represents everything Andi Williams is supposed to have, and doesn't. Running away to a remote mountain lodge in the Canadian Rockies sounds like the perfect way to escape, until a mix-up finds her sharing a villa with sexy, rough around the edges, Colin Hartford.

Colin's determination to enjoy the holiday he's missed for the last five years sweeps Andi into a season of joy that she's not sure she's ready for. Can Andi open herself up to everything the holidays have to offer...including love?

Hidden Kisses

Morgan's looking to hide out from her life, but what she's not counting on is Bo, the handsome and rugged mountain guide at The Lodge who has his own heartache to bear and his troubled little girl who sneaks her way into Morgan's heart.

Opening her heart again means opening herself up to the hurt that threatened to destroy her once. But if she can let down her guard long enough, Morgan might just see that everything she's been looking for is right in front of her.

If it's not too late.

Mistaken Kisses

Eva Andrews would do anything for her best friend Andi, especially if it means dropping everything to plan a last minute wedding at Castle Mountain Lodge.

But planning the perfect wedding isn't proving to be easy, especially when Jeff Michaels, the rugged and all too good-looking ranch hand, is determined to get in her way.

Despite the fact that Jeff knows how to push all of Eva's buttons, there's an attraction between them that can't be denied. But Eva's sworn off men and even if she did allow herself to act on the feelings that keep growing stronger, there's the small matter of her 'fake date' in the way.

Castle Mountain is known for bringing couples together, but can Eva and Jeff get out of their own way long enough to see what they could have--together?
