**The Leadership Wisdom of Solomon: 28 Essential Strategies for Leading with Integrity** Pat Williams, Jim Denney

King Solomon transformed the tiny tribal nation of Israel into an economic and military superpower. His brilliance as an international financier made Israel the wealthiest nation of the ancient world. He led Israel into its Golden Age.

*And he did it with integrity.*

King Solomon left us twenty-eight profound leadership strategies—as valid today as when the proverbs were written. The same extraordinary wisdom that transformed Solomon's world can revolutionize every aspect of leadership for any CEO, manager, pastor, coach, military strategist, or government leader.

In *The Leadership Wisdom of Solomon*, Pat Williams, senior vice president of the NBA's Orlando Magic, applies Solomon's ancient insights to the high-speed world in which we live. The study sections promote discussion and prompt immediate action.
