Neil is the quintessential Indian man: a caring husband, a nurturing father and a hardworking employee. Life is typical and predictable, till the entry of Pooja, who brings in a fresh breath of air and plenty of spark into his regular routine.

Caught between the demands of family life and his love for Pooja, who is married to Rohit, Neil does not know what to do. For Pooja too, the choice is not an easy one. To others it may seem like an extra-marital affair, but for Pooja and Neil it is a beautiful connection between two souls who yearn for each other, as they seek the meaning of their lives outside the boundaries of family, marriage and society.

What happens when they meet after a 12-year hiatus? Do they disturb their nest for the sake of their love and a life they had always wanted? Set in the world of office projects, team bonding, crushes and opportunistic relationship, Always Yours attempts to bring forth an alternative understanding of the connections that bind people.
