Congregations at the Crossroads: Remembering to be Households of God Ronald E. Vallet

The most vital question confronting the church in North America at the turn of the century is whether it can, in the face of the myriad distractions of modern society remember who it is, what it is called to do, and especially, whose it is. In this volume Ronald Vallet explores the biblical basis for stewardship, with major emphasis on God's promises and commands, to help congregations become the households of God that he intends them to be.
