Darwin's World Savage Worlds: Campaign Guide Dominic A Covey, Jon Woodland

Darwin's World is a role-playing game set in the wild, inhospitable world of mankind's ruin, after a series of devastating wars that brought the human race to the brink of extinction. In a world where radiation has altered the very course of nature, mankind has ceased to exist in its current form. Mutations and genetic variations are the edge separating a species from life and death. The premier d20/ODG post-apocalyptic roleplaying game now for the Savage Worlds System!
