(guns & butter) Montana Ray

Poetry. Women's Studies. Concrete Poetry. "Combine Apollinaire with Pam Grier and you might come close to Montana Ray's ferocious debut, (GUNS & BUTTER). Each concrete poem is shaped like a gun and its poetic interiors are bracingly brutal and gorgeous. Capsuled in parentheses, each magnetic phrase is locked and loaded as Ray burns holes into subjects ranging from interracial love, single motherhood, to America's unrelenting addiction to gun violence. Her voice is mesmerizing, tender, vicious, chimeric, as she veers between role-playing a warrior glock-wielding Annie Oakley to 'warm, new mother.' I love (GUNS & BUTTER) and cannot sing it enough praises. It's the kind of rare first collection that is startling, necessary, and is truly like no other book."—Cathy Park Hong

"...honest, sparse writing that is brazen and piercing as a bullet."—*Publishers Weekly*

"With cohesive intelligence, not to mention pained hilarity, Ray recasts what is not only possible but endlessly delightful in Poetry."—Cate Marvin

"Is she getting off on this? It's uncomfortable to read."—Joy Katz, *American Poetry Review*

"This work reminds me that it's point of view that gives motherhood, violence, race, desire meaning beyond language. Nothing in things, except how held, by whom."—Simone White

From reader reviews:

Julie Flanagan:

Nowadays reading books are more than want or need but also get a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The details you get based on what kind of reserve you read, if you want get more knowledge just go with knowledge books but if you want experience happy read one along with theme for entertaining including comic or novel. Often the (guns & butter) is kind of book which is giving the reader unstable experience.

Julio Yates:

Playing with family within a park, coming to see the ocean world or hanging out with buddies is thing that usually you may have done when you have spare time, then why you don't try thing that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love (guns & butter), you may enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh occur its mind hangout fellas. What? Still don't obtain it, oh come on its named reading friends.

Gloria Eller:

A lot of publication has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the best book for you, science, comic, novel, or whatever by means of searching from it. It is referred to as of book (guns & butter). You can add your knowledge by it. Without making the printed book, it could add your knowledge and make you actually happier to read. It is most important that, you must aware about guide. It can bring you from one destination for a other place.

Kimberly Dyer:

What is your hobby? Have you heard that question when you got learners? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. So you know that little person like reading or as looking at become their hobby. You must know that reading is very important in addition to book as to be the matter. Book is important thing to provide you knowledge, except your own teacher or lecturer. You will find good news or update regarding something by book. Many kinds of books that can you decide to try be your object. One of them are these claims (guns & butter).
