Religious Human Rights in Global Perspective: Legal Perspectives

Johan D. van der Vyver, Jr., John Witte

Religious Human Rights in Global Perspective: Legal Perspectives Johan D. van der Vyver, Jr., John Witte

In this 'Dickensian century' of human rights, the world has cultivated the best of religious rights protections, but witnessed the worst of religious rights abuses. In this volume, Jimmy Carter, John T. Noonan, Jr., and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents.

This volume and its companion *Religious Human Rights in Global Perspective: Religious Perspectives* are products of an ongoing project on religion, human rights and democracy undertaken by the Law and Religion Program at Emory University, Atlanta.
