This text takes readers on a trip around the world, with all kinds of puzzles and games to do along the way. Each picture brings to life a different place, from a market in Thailand to a ski resort in the Alps. Small pictures around the edge of the page show things to spot, and easy-to-read captions provide snippets of information. There is also a present to find on every double-page spread and clues on where to go next - it won't be the next page in the book.
