## Advances in Child Development and Behavior: Volume 24

Advances in Child Development and Behavior is intended to ease the task faced by researchers, instructors, and students who are confronted by the vast amount of research and theoretical discussion in child development and behavior. The serial provides scholarly technical articles and a place for the publication of scholarly speculation. In these documented critical reviews, recent advances in the field are summarized and integrated, complexities are exposed, and fresh viewpoints are offered. The serial should be useful to experts in the area as well as graduate students. Each volume of Advances in Child Development and Behavior contains an index, and each chapter includes references.
