## **As You Like It (Modern Library Classics) William Shakespeare**

Uncertain of their standing in court and fearing for their lives, Rosalind and Orlando are forced into exile in the Forest of Arden, only to become entangled in a beguiling game of love, lust, and mistaken identity. One of Shakespeare's great comedies, *As You Like It* subverts the traditional rules of romance, confusing gender roles, nature, and politics.

Under the editorial supervision of Jonathan Bate and Eric Rasmussen, two of today's most accomplished Shakespearean scholars, this Modern Library series incorporates definitive texts and authoritative notes from *William Shakespeare: Complete Works*. Each play includes an Introduction as well as an overview of Shakespeare's theatrical career; commentary on past and current productions based on interviews with leading directors, actors, and designers; scene-by-scene analysis; key facts about the work; a chronology of Shakespeare's life and times; and black-and-white illustrations.

Ideal for students, theater professionals, and general readers, these modern and accessible editions from the Royal Shakespeare Company set a new standard in Shakespearean literature for the twenty-first century.
