## **Coping with Infidelity: How to get over infidelity (How cheats think and behave Book 1) Kay Grünenbaum**

Don't be the fool by being the ONLY person who doesn't know that your partner is cheating on you! Nobody likes to admit the suspicion that their spouse might or might not cheat on them. And, nobody likes to admit that their spouse is cheating on them for real. So there you are, by yourself with your thoughts running wild. You are driving yourself up the wall with open questions and no good answers. Who is the other person? What does he or she see in the rival? Am I not (good) enough?

Suppose you find all these answers? Suppose you find some peace and rest in yourself? And just suppose you could understand all the differences between men and women and learn what type of cheat you are dealing with.

Imagine if you could really know the other woman or man well? Too good to be true? Well, it isn't, if you know how cheats give themselves away.

Think about it! A look deep inside the world of the cheat will allow you to share their most powerful secrets. You will be always a step ahead. It will introduce you to a new dimension in your life and you will never again have to be afraid you are missing something. We explain how some cheats do not get caught cheating.

But instead of knocking yourself out trying to come up with the right answers to your anxieties that your or anyone else's spouse may be a cheat, you can now have it right at your disposal in the new e-book "Inside Infidelity" .

Which of these powerful secrets could you use to discover a cheat?

The lure of cheating

The top reasons why people cheat

The different types of cheat

What about the other man or woman?

How cheats give themselves away

How the successful cheat does not get caught

Monogamy, and how the cheat avoids it

How to be passionate and hot

How to come clean and

How to rebuild a relationship... plus plus plus lots more.

Get ready to understand one of life's great challenges, and learn how to act on the knowledge.

Just think! You'll never again suffer the pain and hassle of being afraid of what 's going on behind your back...! Don't be the fool by being the ONLY person who doesn't know that your partner is cheating on you!

'Inside Infidelity' is a new look at all the dos and don'ts, tricks of the trade and guidelines used by the man or woman who cheats on their partner. Author Karola Grünenbaum offers a rollicking mix of psychology, deviousness and imagination, for the reader who wants to understand how they do it, and why. Easy to read, funny, instructive and salutary. A look at real life in the raw and a warning.
