Deceived 6 - Ultimate Deception (Deceived series) Eve Carter

I am aware of nothing. There is black then white, then cold. I try to open my eyes. A wave of confusion washes over me. Is it morning? Where am I? And why can't I remember anything?

When Chloe Collins wakes up from an induced coma she has no recollection of what happened and how she ended up in a hospital. Because of her weakened state of health, she is unable to fly back to New York and must stay in Miami until her baby is born. Having an aversion to hospitals, she's relieved when Nina Hastings opens up her mansion for Chloe to recover. Little does she know that she's just walked into the lion's den.

Will Chloe discover Nina's secret before it's too late?
