## **Dying to Live: Finding Joy In Giving Yourself To God William B. Wichterman**

Dying to Live explores the path to the joyful life that God intends for those who lay down their lives for him.

"Rich and deep but challenging words from a veteran of Capitol Hill affairs. If all in that power-world lived as Bill Wichterman both teaches and lives, America would be a far wiser, better place. More importantly, so too would be the Church." -- Os Guinness, Author of *The Call*

"Bill Wichterman is a man who walks the halls of power -- and also walks with God. In this luminous volume, he discloses the spiritual truths that guide his way. Originally written for his own children, it offers a fascinating glimpse into the inner life of a Washington power broker. In a reflective, meditative tone, Wichterman invites the reader to discover the source of true power for working with integrity in the nation's capital." -- Nancy Pearcey, Author of *Saving Leonardo* and *Total Truth*

"Much like Francis Schaeffer in his generation, Bill Wichterman distills the vastness of Scripture to address a simple question all Christians should be asking: 'How then shall we live?' Dying to Live unabashedly recognizes the challenge of Christian living, but also reveals it to be the only path to genuine freedom, joy, and purpose. Writing as one who has truly 'walked the walk' as an evangelical serving in politics, Wichterman offers muchneeded biblical guidance to Christians seeking to live out their faith in their homes, careers, and communities." -- Art Lindsley, Author of *C.S. Lewis's Case for Christ, True Truth, and Love: The Ultimate Apologetic*
