TECHNOLOGY NOW: YOUR COMPANION TO SAM COMPUTER CONCEPTS helps students learn computer concepts that are essential for success in the workplace today. Technology Now aligns perfectly with the SAM Computer Concepts tasks; this 1:1 correspondence of book topics to SAM content provides a streamlined learning experience for all students, no matter what their learning style or level of experience. Adapted for print (or digital e-book) by technology expert and author Professor Corinne Hoisington, Technology Now not only compliments and reinforces the online experience, but also provides additional material beyond what is in SAM to help students learn; hands-on activities let students try new technologies and ethical issues scenarios, critical thinking activities, and team projects help to elevate their thinking and keep them engaged and motivated. Technology Now is written in simple language with fun and interesting examples that today's students can relate to; information is current, concise and presented visually in bite-sized chunks with key terms highlighted and defined. Customize the printed book to include just the chapters that meet your course's learning objectives, and set up your SAM course so it contains only the SAM tasks covered in the book. Use the e-book version with SAM for a 100% digital course.
