Scientific Study from the year 2015 in the subject Instructor Plans: Agriculture / Forestry / Gardening, , language: English, abstract: This handbook provides useful information on how to keep layer hens profitably.

It sheds light on factors to consider when selecting layer breeds, brooding and all critical management practices from day old up to marketing of eggs. Farmers need to grasp this hand book so that they will be able to produce a healthy flock.

I recommend farmers to make use of this book without reservations because information and experience offered in this book is valuable.

Farmers and inspired readers can make use of this hand book as a foundation to carry out researches as well as generating new ideas.

Wish you the best of all luck in egg production.
