*Dark Desires (book 5)*

*She's his last chance for redemption...if she doesn't kill him first.*

Copilot of the *Blood Hunter*, Daisy is a newly-turned vampire, and she's hungry. *Really* hungry and it's interfering with her plans for revenge. Unfortunately, the only thing that can distract her from said hunger is sex...which is a problem when she can barely refrain from draining any man dry within moments. But old flame Fergal Cain might just be the sexy-assed solution to her problem.

Part human, part cyborg, and with a poison coursing through his system, Fergal's running out of time to find the scientist who has the cure. Unfortunately for him, the misfit crew of the *Blood Hunter* put a serious kink in his plans. And if the poison doesn't kill him, the hot little vamp he can't resist might do the honors herself...
