Though Glory Walters writes erotic novels about firm-handed men who know how to deal with feisty women, she's ashamed to admit she's never experienced anything of the sort herself. But then she meets Gabriel—Sergeant Gabriel to the men he leads on the local SWAT team, but Master Gabriel to her—and suddenly the scenes in her books don't seem so far-fetched anymore.

Gabriel has just been going through the motions in life since his wife's death four years ago, but almost from the moment he sets eyes on her, he wants Glory as his own. Despite never having been taken in hand before, she responds beautifully to a good, hard, bare-bottom spanking, and his dominant lovemaking leaves her breathless. But when Glory foolishly puts herself in extreme danger, she soon discovers that naughty girls who take risks with their safety get their bottoms thoroughly punished... inside and out.

Publisher's Note: His Girl, His Rules is an erotic novel that contains spankings, sexual scenes, anal play, elements of BDSM, and more. If such material offends you, please don't buy this book.
