NATURAL WAYS TO PREVENT CANCER Jerry Hoover

BOOK DESCRIPTION

The medical establishments have been focused almost entirely on treatment instead of prevention. The best treatment is not to get cancer in the first place and that is what this book is all about. By following what has been written in the seventeen chapters of this book you can greatly reduce your risks of getting cancer. The American Institute for Cancer Research published a report in 2007 that said, "one-third of all cancers are preventable by diet" which is just one of the many areas covered in this book. Before the author retired, he owned and operated a 26 day Natural Lifestyle Clinic. Patients checked into the clinic and spent the next 26 days recovering from many illnesses including cancer. Thanks to God during it's many years of operating the clinic had no patient losses and all those who spent the 26 days an the clinic improved. Many of the clinic's protocols for cancer patients you will read about in this book.
