Selwyn's Law of Employment Astra Emir

Forty years since its first edition, Selwyn's Law of Employment continues to provide a full and reliable guide to employment law for law students, practising lawyers, and those studying employment law in a business or professional context. Norman Selwyn's practical approach to the subject has been maintained by Astra Emir, ensuring that the far-reaching and concise treatment encapsulates the developing issues in this fluid area of law. Case law from the UK and EU is included and both collective and individual employment law is considered to offer an inclusive representation of the subject. The direct and lucid writing style will help readers with legal and non-legal backgrounds to engage with the topics and detect the fundamental employment law principles and cases.
