A peaceful Minnesota town is about to face its worst nightmare.

Night Sins

A young boy disappears. There are no witnesses, no clues - only a note, cleverly taunting, casually cruel. Has a cold-blooded kidnapper struck? Or is this a reawakening of a long-quiet serial killer?

A tough-minded investigator on her first make-or-break case... A local cop who fears that big city evils have come to stalk his small town home... Together they are hunting for a madman who knows no bounds, to protect a town that may never feel safe again.

Guilty as Sin

A respected member of the community stands accused of a chilling act of evil. But when a second boy disappears, a frightened public demands to know: Have the police caught the wrong man? Is the nightmare continuing...or just beginning?

Prosecutor Ellen North believes she's building a case against a guilty man?and that he has an accomplice in the shadows. As she prepares for the trial of her career, Ellen suddenly finds herself swept into a cruel contest of twisted wits, a dark game of life and death...with an evil mind as guilty as sin.
