If you've ever applied for a job, then you know how hard it is to write a resume that stands out in today's competitive job market.

The Common Sense Resume takes the guesswork out of resume writing. Throwing template-style thinking out the window, this indispensable book provides a common sense approach to resumes that is easy to understand and even easier to use.

Writing a resume that stands out in today's competitive job market is essential to landing interviews. The Common Sense Resume covers everything needed to create the ultimate resume, including:

- What to know before starting to write a resume
- A resume writing process laid out in simple, actionable steps
- How to start building your social resume

Unlike any other resume book on the market, The Common Sense Resume provides detailed information on the hiring pipeline, designing a resume for recruiters and hiring managers, and navigating the online application process.

Debra Mastic, award-winning information design specialist, transforms the daunting process of resume writing into an easy-to-understand, common sense approach. The Common Sense Resume proves that the definitive resume is not out of reach.
