## **The Icons Within** George Pugh Ph.D.

If you can think differently about your personal problems, which might include the aftermath of traumatic events or deep feelings of rejection, you may find yourself in a position to overcome hurtful memories that continue to upset you and interfere with your sense of self-worth.

George Pugh, Ph.D., a practicing clinical psychologist, helps you find insight and direction in this new approach to understanding yourself and why you struggle with inner self-defeating voices that hold you back. After learning why you are resistant to changing problematic personality traits and why past efforts have left you at a loss and longing for more, you will be encouraged to take part in simple exercises that will remove the troubling inhibitions that prevent you from being who you truly are.

In straightforward language you will achieve insights that will help you:

understand that the personality forms around the basic principles of survival;

recognize that survival strategies that served you well in the past hold you back in the present;

release your true voice to speak from a position of honesty, integrity and personal strength;

free what you have hidden - your passion, connection and commitment to your personal journey.

If you are willing to risk brief emotional upheaval and painful moments of reflection you will find your voice and release your true self.

This book explains steps that will allow you to break free of a counterproductive lifestyle that binds you to a way of thinking and feeling that is safe but is lacking in joy and authenticity.

"The Icons Within helps the reader to understand the full effects of Iconic therapy. It provides a sense of hope in a multitude of dimensions - hope that healing is possible, hope that life can hold so much more and hope that life's potential can still be achieved."

-A. Thomas, therapist"

### **From reader reviews:**

#### **Joanne Hall:**

What do you about book? It is not important along with you? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every person has many questions above. They need to answer that question because just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this particular The Icons Within to read.

#### **Keith Smith:**

The particular book The Icons Within will bring you to definitely the new experience of reading any book. The author style to spell out the idea is very unique. When you try to find new book to study, this book very ideal to you. The book The Icons Within is much recommended to you to study. You can also get the e-book in the official web site, so you can quicker to read the book.

#### **Robert Delaney:**

The reason? Because this The Icons Within is an unordinary book that the inside of the book waiting for you to snap the item but latter it will jolt you with the secret the idea inside. Reading this book close to it was fantastic author who also write the book in such amazing way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your proficiency and your critical thinking approach. So , still want to postpone having that book? If I have been you I will go to the reserve store hurriedly.

#### **Irene Hoyt:**
