For the Love of Levi is a follow-up novel, and picks up where For the Love of Laney left off.

After years of being verbally abused by her mom and bullied by her classmates, Laney Johnson has taken her life back. With the love and support of her boyfriend, Levi, she has managed to get rid of her secret box, and stop bingeing. Everything is finally looking up for her, and for the first time in her life, she has hope for a bright and happy future.

It hasn't been an easy road, and college is going to be a whole new challenge for her. Will she be able to adjust and bury her past demons once and for all? Or will college be too much, forcing her back to her old habits?

Levi has spent years distancing himself from the one person who made his childhood a living hell. When he first met, Laney, he could tell that she was broken, just like he used to be. He fought his way into her life, and her heart, sharing with her a piece of his own jaded past. Together they bonded over mental and physical abuse that they both suffered at the hands of their mothers.

Now, they're both in a good place, but can they stay there, when someone from his past tries to push their way back in? Levi will have to open up even more if he plans on making it through the situation unscathed. He will have to lean on Laney more than ever.
