A friendship torn apart. A love lost forever... A curse to break. A mystery to solve. A heart to heal...

When her parents died in a tragic accident and her life in Australia fell apart, Carlie was sent across the ocean to live with a stranger. After a harrowing journey through the mists, she finally found peace with her grandmother, magic with her new friend, and first love with her druidic soul mate. But then she was plunged back into the darkness. Now, haunted by loss and betrayal, and worried that her shattered heart is beyond repair, she must decide whether she has it in her to find her way back into the light.

In the stunning conclusion to the Into the Mists Trilogy, the wheel of the year turns from the bleakness of midwinter to the new hope of spring. Can Carlie break a decades-long curse and save the person she's closest to? Will she unlock the mystery of the sad woman she meets late one night? Which of the shadowy Otherworldly beings can she trust? Who is the man with the raven tattoo? And how far is she willing to go to forgive and be forgiven?

For a chance at happiness, she must challenge the wise priestess and embrace her darkest fears. But is she already fated to echo the lonely life of her grandmother, or can she find the courage to open her heart again?
