After dropping out of college, Chelsea Landry needs a job or her parents will kick her to the curb. When Toyz 'R Us, a new sex toy manufacturer, offers her one as a product tester's assistant, she jumps at the chance. Wouldn't you think that she'd get to take the kinky sex toys home, try them out, and then report back to work with her results? Maybe she should have read the terms of her employment contract a little more carefully. Jayson Grant, the former pro football player and current product tester Chelsea now reports to, has plans to use them on her—often and repeatedly! She can't afford to quit, but she's not sure she can afford to stay, either. There's no way she'll survive the constant mind-blowing orgasms he gives her.
