Landfall (The Forgotten Coast Florida Suspense Series) (Volume 4) Dawn Lee McKenna

As a hurricane gathers its power just off Apalachicola's shore, another storm comes to a head in Lt. Maggie Redmond's home.

Held prisoner by a man bent on avenging the death of a son, Maggie must find a way to save herself and her two children.

No one knows where they are. No one is coming to help. Maggie and her children will have to find a way to survive both the madness inside their home and the madness raging outside. *Two storms that nobody thought were coming just made landfall.*

About the Forgotten Coast Series, The first four books of the series, Low Tide, Riptide, What Washes Up, and Landfall, set the stage for the rest of the series. While there are subplots resolved in each book, there is an overarching storyline that is not resolved until Landfall, so readers will enjoy them best if these are read in order. Subsequent books in the series are both longer (ranging between 200-250 pages) and designed to stand alone, so they may be read in any order. **Praise for the Forgotten Coast Florida Suspense Series**

From Low Tide: Florida writers need to watch out, or better still read Dawn McKenna's books. She's the real deal.....Low Tide is a suspenseful mystery/thriller, beautifully written and perfectly executed. The characters ring true, the scenarios are all plausible, and the dialogue is witty and believable. Dawn Lee McKenna is an amazing and gifted writer.....McKenna is the real deal - a storyteller with a knack for hooking you with characters of depth and intriguing sub plots. **From Riptide:** Even better than Low Tide, this novel had so much depth and heart, mixed seamlessly with the heart-stopping suspense scenes. I'm absolutely hooked on this series.....After finishing Low Tide, the very promising entry to the Forgotten Coast series, I was curious to see how Dawn Lee McKenna would follow up. Not only does McKenna not disappoint, she exceeds already high expectations with this exciting, well-written sequel.....Riptide fulfills the promise of its predecessor, Low Tide, and firmly establishes this author as a force to be reckoned with in the literary world and the mystery/suspense genre.

From reader reviews:

Beverly Dewitt:

As people who live in the modest era should be revise about what going on or details even knowledge to make these people keep up with the era and that is always change and move ahead. Some of you maybe can update themselves by reading books. It is a good choice in your case but the problems coming to you actually is you don't know what kind you should start with. This Landfall (The Forgotten Coast Florida Suspense Series) (Volume 4) is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Cheryl Estrella:

Nowadays reading books become more than want or need but also be a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The data you get based on what kind of e-book you read, if you want get more knowledge just go with training books but if you want feel happy read one with theme for entertaining including comic or novel. The actual Landfall (The Forgotten Coast Florida Suspense Series) (Volume 4) is kind of e-book which is giving the reader unforeseen experience.

Pedro Dillon:

Reading a book can be one of a lot of action that everyone in the world loves. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new information. When you read a book you will get new information due to the fact book is one of many ways to share the information as well as their idea. Second, reading through a book will make you more imaginative. When you looking at a book especially fictional book the author will bring you to definitely imagine the story how the characters do it anything. Third, you could share your knowledge to other people. When you read this Landfall (The Forgotten Coast Florida Suspense Series) (Volume 4), you could tells your family, friends and also soon about yours publication. Your knowledge can inspire different ones, make them reading a reserve.

Richard Lawrence:

Reading a publication tends to be new life style in this era globalization. With reading you can get a lot of information which will give you benefit in your life. Using book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Many author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the textbooks. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some study before they write on their book. One of them is this Landfall (The Forgotten Coast Florida Suspense Series) (Volume 4).
