Lingua Biblica is an exciting new supplementary translation program based on the Vulgate that provides a sampling of Bible story translations and exercises that will fortify any student's knowledge of Latin vocabulary and grammar. A great companion to the Henle series texts, each lesson includes three levels of study. Level I includes the easiest sentence translations, Level II includes more advanced sentence translations, and Level III includes the entire translation with advanced exercises. That means *Lingua Biblica* can be used as a translation program for any level of Latin study.
