Locked and Loaded Thomas Carver

Getting stranded in LA when your flight is cancelled is bad enough, but now Paul has to share a hotel room with a meathead Marine who hates his guts. But Paul needs a bit of an attitude adjustment, and this rough young man is just the sort to teach him his place. Paul finds himself submitting, humbling himself, to a real man. Soon, locked in a chastity device, Paul is willingly humiliated not just by this one man, but by a group of young Marines fresh out of boot camp. And his exhausting night of humiliation and transformation doesn't stop there, because there's more than pleasure, and more than pain, in what Paul learns about himself undergoing the sweet torture of his night in bondage. This 30,000 word gay military erotic romance contains scenes of gay rough sex, group sex, oral sex, anal sex, male chastity, and a wide variety of psychological and physical BDSM.
