**A hope-filled story about starting again after a dream has died?an emotive, poetic, and at times humorous discovery of the healing qualities of beauty, play, friendship, and love.**

Expectation. Expectation. Expectation. Disappointment. After ten years of tear-soaked prayers, repeatedly dashed hopes, and multiple failed rounds of IVF, Sheridan Voysey and his wife come to a heart-breaking conclusion?their dream of having a child is over. Empty and confused from a decade of disappointment, they leave their jobs, pack their bags, and embark on a journey in search of restoration.

Voysey chronicles their return to life. From the streets of Rome to the Basilicas of Paris, from the Alps of Switzerland to their new home in Oxford, they begin the healing process while wrestling with their doubts about God's goodness. One part spiritual memoir and one part love story, *Resurrection Year* is an honest, heart-felt book about recovering from broken dreams and reconciling with a God who is sometimes silent but never absent.
