The Bolter

Frances Osborne

The Bolter Frances Osborne

A *San Francisco Chronicle* Best Book of the Year

An *O, The Oprah Magazine* #1 Terrific Read

In an age of bolters—women who broke the rules and fled their marriages—Idina Sackville was the most celebrated of them all. Her relentless affairs, wild sex parties, and brazen flaunting of convention shocked high society and inspired countless writers and artists, from Nancy Mitford to Greta Garbo. But Idina’s compelling charm masked the pain of betrayal and heartbreak.

Now Frances Osborne explores the life of Idina, her enigmatic great-grandmother, using letters, diaries, and family legend, following her from Edwardian London to the hills of Kenya, where she reigned over the scandalous antics of the “Happy Valley Set.” Dazzlingly chic yet warmly intimate, *The Bolter* is a fascinating look at a woman whose energy still burns bright almost a century later.

From the Trade Paperback edition.

From reader reviews:

Gary Jensen:

Inside other case, little people like to read book The Bolter. You can choose the best book if you want reading a book. Providing we know about how is important a book The Bolter. You can add understanding and of course you can around the world by the book. Absolutely right, due to the fact from book you can realize everything! From your country until eventually foreign or abroad you will end up known. About simple issue until wonderful thing you may know that. In this era, we could open a book or even searching by internet system. It is called e-book. You should use it when you feel bored to go to the library. Let's study.

Danny Padilla:

What do you think about book? It is just for students because they are still students or the idea for all people in the world, exactly what the best subject for that? Only you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book The Bolter. All type of book is it possible to see on many methods. You can look for the internet solutions or other social media.

Candace Hernandez:

What do you in relation to book? It is not important to you? Or just adding material when you need something to explain what your own problem? How about your extra time? Or are you busy individual? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have time? What did you do? Everybody has many questions above. The doctor has to answer that question since just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on kindergarten until university need this particular The Bolter to read.

James Ojeda:

Beside this specific The Bolter in your phone, it could possibly give you a way to get closer to the new knowledge or info. The information and the knowledge you are going to got here is fresh from the oven so don't become worry if you feel like an previous people live in narrow community. It is good thing to have The Bolter because this book offers for your requirements readable information. Do you occasionally have book but you rarely get what it's exactly about. Oh come on, that wil happen if you have this in the hand. The Enjoyable arrangement here cannot be questionable, just like treasuring beautiful island. So do you still want to miss the idea? Find this book as well as read it from at this point!
