## Autism and Personality: Findings from the Tavistock Autism Workshop

Taking a psychoanalytic and developmental approach, *Autism and Personality* outlines in considerable detail the new developments in therapeutic techniques used by the Tavistock Autism Team and Workshop to treat autistic children. It also underlines the importance of support for parents and siblings, who are all too often ignored under considerable stress. The book presents fresh ideas about the importance of personality for the developmental course of the condition, and the implications for psychotherapeutic technique. Using case vignettes to illustrate the theoretical ideas emerging from the Workshop, coupled with case studies which highlight the patient's changing contact with the therapist, it gives a fascinating picture of the individuality of each child and of the sensitivity and skill required for each treatment.

Accessible to professionals and also to parents, *Autism and Personality* is a valuable insight into the nature and course of this condition and its treatment.

#### **Sue Randall:**

As a college student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Autism and Personality: Findings from the Tavistock Autism Workshop can make you sense more interested to read.
