Family Matters Rohinton Mistry

Set in Bombay in the mid-1990s, *Family Matters* tells a story of familial love and obligation, of personal and political corruption, of the demands of tradition and the possibilities for compassion. Nariman Vakeel, the patriarch of a small discordant family, is beset by Parkinson's and haunted by memories of his past. He lives with his two middle-aged stepchildren, Coomy, bitter and domineering, and her brother, Jal, mild-mannered and acquiescent. But the burden of the illness worsens the already strained family relationships. Soon, their sweet-tempered half-sister, Roxana, is forced to assume sole responsibility for her bedridden father. And Roxana's husband, besieged by financial worries, devises a scheme of deception involving his eccentric employer at a sporting goods store, setting in motion a series of events that leads to the narrative's moving outcome. *Family Matters* has all the richness, the gentle humour, and the narrative sweep that have earned Mistry the highest of accolades around the world.
