Heart of the Amazon/Buried Secrets/Forsaken Canyon (Heart of the Amazon Series 1-3) (Steeple Hill Love Inspired Suspense 37, 72 & 119) Margaret Daley

Heart of the Amazon: Kate Collier knew her brother Zach and she did not believe that he had died in the Amazon jungle. Mysterious Slader was the only one who could guide her on a journey from which many never returned...a journey that would stretch the limits of their faith in God and each other. Buried Secrets: Zach is sure his grandfather was murdered for something among his possessions. He begged Maggie Somers to put aside the feud between the Somers and the Collier families in order to uncover what the murderer was seeking before they became targets themselves. Forsaken Canyon: Someone is following Hawke Lonechief and Kit Sinclair's every move as they venture into well-named Desolation Canyon...watching them grow closer to danger with every step. This is the usual fantastic suspense offered by one of the premier Christian suspense authors. The locations are exotic, the situations are spine-tingling.
