Lassiter: A Novel

Paul Levine

Lassiter: A Novel Paul Levine

Last seen in 1997's *Flesh & Bones*, Jake Lassiter is a hero unlike any other in the courtroom. *Booklist* called him "one of the most entertaining series characters in contemporary crime fiction." The former Miami Dolphin is still swimming with sharks in his latest, boldest novel of suspense yet.

Amy Larkin is in town, looking for her sister Krista, who vanished without a trace almost two decades earlier. She seeks out Lassiter because he's the last person to have seen her alive. Lassiter volunteers to investigate, and his search for Krista's fate will take him into the underworld of Miami's pornography industry, into the dangerous lives of his friends, and, of course, into the courtroom, where Lassiter's bareknuckle style makes him a formidable opponent.
