Market Street Anita Hughes

From Anita Hughes, author of *Monarch Beach*, comes *Market Street*, a delicious story of a department store heiress, her messy marriage, and her passion for food

Cassie Blake seems to lead a charmed life as the heiress to Fenton's, San Francisco's most exclusive department store. But when she discovers her husband, Aidan, a handsome UC Berkeley professor, has had an affair with a student, she flees to the comfort of her best friend Alexis's Presidio Heights mansion, where she wonders if she should give their marriage one more chance.

Whether or not she can forgive Aidan is not the only choice Cassie has to make. Cassie's mother is eager to have her oversee the opening of Fenton's new Food Emporium, which Fenton's hopes will become San Francisco's hottest gourmet shopping destination. Cassie's true passion has always been food, not fashion, and Cassie suspects her mother might be trying to lure her into the Fenton's fold by entrusting her with such an exciting opportunity. And then there is James, the architect designing the Emporium, who is quietly falling in love with her...

From reader reviews:

Freddie Hoops:

What do you think of book? It is just for students since they are still students or the idea for all people in the world, what best subject for that? Just you can be answered for that concern above. Every person has various personality and hobby for each and every other. Don't to be pressured someone or something that they don't want do that. You must know how great as well as important the book Market Street. All type of book are you able to see on many solutions. You can look for the internet methods or other social media.

Lynette Petree:

You could spend your free time to see this book this guide. This Market Street is simple to develop you can read it in the area, in the beach, train and also soon. If you did not include much space to bring the actual printed book, you can buy the actual e-book. It is make you quicker to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Erica Futch:

Is it you who having spare time and then spend it whole day through watching television programs or just resting on the bed? Do you need something new? This Market Street can be the solution, oh how comes? It's a book you know. You are so out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?

Joaquin Bedard:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Market Street can make you feel more interested to read.
