Shane West is the ultimate 'hot' guy—a gorgeous bad-boy firefighter who's saved dozens of lives no matter how high the risk to his own. Candace Jones is an up-and-coming reporter who's as ambitious as she is beautiful. When the two meet up so that Candace can do an interview with Shane the sparks immediately fly but Shane isn't interested in a relationship, and Candace isn't looking for anything past a great interview that will help her along in her career.

No matter how hard they fight that attraction they can't seem to douse it, not even after they spend a fiery night together, and when Shane is suddenly faced with criminal charges Candace realizes that she wants a lot more than just to help him clear his name or get a good lead story.

She wants a relationship with the commitment-shy Shane, and it doesn't take long for either of them to understand they will have to choose between the careers they love, and each other.
