Star Fire: The Life Giving Star (Volume 1) Bertha Peka Betham

Long sought after books and ancient secret documents, annotated by Prince Henry St. Clair during the 12th century, speak of Satan being punished by God and thrown down below to planet earth, to roam and tempt mankind for 1,000 years, as mentioned in the Book of Revelation in the Bible. Then he will be bound into the bottomless pit of the earth for another 1,000 years to come. All of this in order to prolong life on earth for mankind. There is only one problem. The ancient secret needed to bind Satan for another 1,000 years lies within the Ark of the Covenant, which disappeared from the Temple of Solomon. Its current location is unknown, and this sacred treasure has been the object of innumerable quests ever since its disappearance. The only human on earth able to unlock the secrets of the Ark is the Chosen One, known as Star Fire. Follow the journey of present day Templars, the protectors of the Ark of the Covenant, from the Temple of Solomon in Jerusalem, to Sancta Sophia in Turkey, to the Rosslyn Chapel in England, and to the grand nation of the United States of America, as they try to alter the fate of humanity. The race to uncover the Chosen One and the location of the Ark starts now, before a certain date approaches.....
