## **The Bible** Nicholas King

For the first time under one cover, we are delighted to present Nicholas King's complete translation of his Study Bible.

His translation is from the Greek, with the aim of keeping as close to the original as possible, complete with grammatical inaccuracies and idiomatic peculiarities. The result is a vibrant translation which is exceptionally stimulating and sometimes startling. Readers will find that it shakes off the dust which often settles on passages that have become tired from over familiarity or frequent quotation, allowing the text to come to life in new and unexpected ways.
