## **The Secret Garden** Frances Hodgson Burnett

When Mary Lennox's parents die from cholera in India, the spoiled orphan is transplanted to her uncle's 600-year-old gloomy and secretive estate in England. She is certain that she is destined for misery at Misselthwaite Manor. When Mary meets the old groundskeeper, he is the first to tell her what he thinks of her: "We was wove out of th' same cloth. We're neither of us good lookin' an' we're both of us as sour as we look. We've got the same nasty tempers, both of us, I'll warrant."

However, she soon discovers an arched doorway into an overgrown garden, locked shut since the death of her aunt 10 years earlier. Fate grants Mary access to the secret garden and she begins transforming it into a thing of beauty, unaware that she too is changing.

### From reader reviews:

#### Jeffrey Nathanson:

Playing with family in a park, coming to see the marine world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try thing that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love The Secret Garden, you could enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh come on its mind hangout fellas. What? Still don't get it, oh come on its called reading friends.

#### Hector Hartung:

Your reading 6th sense will not betray an individual, why because this The Secret Garden publication written by well-known writer who really knows well how to make book which can be understand by anyone who read the book. Written with good manner for you, dripping every ideas and creating skill only for eliminate your current hunger then you still uncertainty The Secret Garden as good book but not only by the cover but also from the content. This is one guide that can break don't determine book by its protect, so do you still needing a different sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to yet another sixth sense.

#### Beatrice Flanagan:

This The Secret Garden is great guide for you because the content that is certainly full of information for you who always deal with world and get to make decision every minute. This particular book reveal it details accurately using great manage word or we can claim no rambling sentences inside. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but hard core information with beautiful delivering sentences. Having The Secret Garden in your hand like obtaining the world in your arm, information in it is not ridiculous a single. We can say that no book that offer you world with ten or fifteen second right but this guide already do that. So , it is good reading book. Hello Mr. and Mrs. stressful do you still doubt that?

#### Kathryn Cortez:

What is your hobby? Have you heard that question when you got pupils? We believe that that problem was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you know that little person just like reading or as reading through become their hobby. You should know that reading is very important and also book as to be the thing. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You find good news or update regarding something by book. Different categories of books that can you choose to use be your object. One of them is this The Secret Garden.
