Video Trailer Available on Youtube

DANGEROUS LIAISONS. SCORCHING SEX. DIABOLICAL PLOTS.

Dr. Thaddeus Montgomery is perfectly content. A rakishly handsome psychiatrist, he has become celebrated for developing a unique spanking therapy. He delivers his treatment with clinical ease, until he finds himself haunted by a new patient. Her name is Rose Rutherford, and he is mesmerized.

Rose is suffering from a broken heart, and unexpectedly arriving at his office after hours, she haltingly tells him the reason for her visit. The usually unruffled Dr. Montgomery suddenly finds himself facing a hard truth.

But the timing could not be worse. He is dating a sophisticated, sultry, mysterious vixen named Avery Madison, and has discovered she is a covert, diabolical Dominatrix, who harbors a sadistic scheme that could ruin his life.

The Spanking Psychiatrist is a romantic tale with twists and turns, full of spicy discipline, fiery sex, romantic domination, and unexpected intrigue. If you dare, step through the door and visit the doctor's couch today.

From reader reviews:

William Duhon:

What do you with regards to book? It is not important with you? Or just adding material when you want something to explain what the one you have problem? How about your free time? Or are you busy man? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have time? What did you do? All people has many questions above. They must answer that question because just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is correct. Because start from on kindergarten until university need this The Spanking Psychiatrist to read.

Donald Scott:

In this 21st century, people become competitive in every way. By being competitive at this point, people have do something to make these survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Sure, by reading a publication your ability to survive raise then having chance to stand than other is high. In your case who want to start reading a book, we give you this kind of The Spanking Psychiatrist book as basic and daily reading book. Why, because this book is more than just a book.

Julie Nealy:

Reading can called thoughts hangout, why? Because if you are reading a book specially book entitled The Spanking Psychiatrist your thoughts will drift away trough every dimension, wandering in each and every aspect that maybe mysterious for but surely can become your mind friends. Imaging each word written in a publication then become one web form conclusion and explanation in which maybe you never get previous to. The The Spanking Psychiatrist giving you one more experience more than blown away the mind but also giving you useful data for your better life with this era. So now let us teach you the relaxing pattern is your body and mind will be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary investing spare time activity?

Chris Wolf:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Spanking Psychiatrist can make you sense more interested to read.
