Bright lights, big passion...

Winning an all-expenses-paid weekend in New York with Hollywood's sexiest heartthrob makes Faith Logan the envy of women everywhere. This small-town nurse has too many responsibilities, including caring for her aging parents, to be interested in fame or status. But as the sensual celebrity escorts her to exclusive Manhattan nightclubs and glitzy movie premieres, Faith is falling fast for the genuine, charismatic man behind the slick media image.

More used to fanatics and groupies, Irvin Freeman is surprised and intrigued by Faith's down-to-earth personality. One impulsive kiss turns their private flirtation into public news. But paparazzi and crazed admirers are making her doubt their potential as a couple. Will the pressures of fame cause their love to fade before he can convince her they've found their own real-life happy ending?
