## Ghosts (John Milton) Mark Dawson

John Milton is a ghost. He was Number One. The most dangerous assassin in Group Fifteen, the black-ops organisation that solves problems when diplomacy has failed. Now Milton is Her Majesty's most wanted fugitive?an anonymous loner with a deadly set of skills.

So when he is arrested following a brawl in a Texas bar, the last person he expects to bail him out is a glamorous operative from the Russian Secret Service.

Milton is blackmailed into finding his predecessor as Number One. But she's a ghost, too, and just as dangerous as him. He finds himself in deep trouble, playing the Russians against the British in a desperate attempt to save the life of his oldest friend. Some ghosts are better left alone. But these two have been disturbed, and now there's going to be hell to pay.

Mark Dawson has worked as a lawyer and currently works in the London film industry. His first books, *The Art of Falling Apart* and *Subpoena Colada* have been published in multiple languages.
