**NOTE:** Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a Course ID, which your instructor will provide.

### **Used books, rentals, and purchases made outside of Pearson**

If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

*For fundamentals of nursing courses in the nursing curriculum  
This package includes MyNursingLab®*

### **Help each student think like a nurse using a clear, consistent approach**

*Kozier & Erb's Fundamentals of Nursing, Tenth Edition* sets the foundation for nursing excellence by addressing the key concepts of contemporary professional nursing, including caring, health promotion, clinical reasoning, nursing informatics, evidence-based practice, ethics, and advocacy. Every chapter reflects the latest nursing evidence, standards, and competencies, as well as the increasing emphasis on aging, wellness, safety, interprofessional practice, and home- and community-based care. New QSEN features provide opportunities for readers to develop their clinical-reasoning abilities, and make connections to nursing practice. Written with a consistent, approachable style, this book incorporates the skills that a nurse needs to know within the nursing process, so students can see how to apply the concepts they are reading about.

### **Personalize learning with MyNursingLab**

MyNursingLab is an online homework, tutorial, and assessment program designed to engage students in the Fundamentals of Nursing course and improve results. Its guided learning path is proven to help students think like a nurse as they move beyond memorization to true understanding through application.
